

# From the “DID YOU KNOW” File:

Now that you're completely broke after all your Christmas shopping, you need to know that if you were going to purchase all the items mentioned on the song “*The Twelve Days of Christmas*,” you would have to spend: **\$78,122!**

Aren't you glad that you only had to buy just one IPOD and one PS3? Whew! So I'm going to make you an offer you simply cannot refuse: **FREE ... FREE and FREE!**

Here then is a wonderful web page absolutely **FREE** to the first 10,000,000 people who click on it, be the first on your block to go to:

Go now before this offer expires and you'll be the only one on your block who will not have visited this great web page. While there, please feel free to send me any and all ideas on how to make this site more better gooder.

After three months here in Portland, Oregon, we will be moving down to Santa Cruz, California, for this next phase of our home assignment. We continue to visit the many churches that faithfully support us and care for this very important ministry in Napoli, Italy.

May is our return date and if you'd like to have more information regarding any of the projects mentioned on our web page, please write me and I'll get back “*as quickly as possible*” (translation of “*as quickly as possible*” means: “as soon as the NFL season, including Superbowl (but **NOT** ProBowl) is finally over and we can once more wonder how in the world did the Oakland Raiders end up so far down in the standings?”)

Thanks again for all your generous support over all these years and may the Lord continue to bless you and your family as we partner together for His Kingdom.
